Rotary Club of St. Ives

As a recent project with the Laguna Beach Sister City Association we are organising an exchange of Drawing / Painting residencies for young artists from either town.

Located midway between Los Angeles and San Diego, Laguna Beach is a small picturesque coastal town with a strong arts tradition and with its seven-mile stretch of sand and surf and plenty of art galleries offers a year-round retreat for beach enthusiasts and artists.

Our aim is to send a young artist (aged between 18 and 25 years) to Laguna Beach for three weeks in the Summer of 2017. Our chosen candidate will be provided with the air fare, and accommodation in Laguna Beach, staying with a local Family. They will very likely be provided with studio space but will be expected to work primarily outdoors. Many meals will be provided with the host family, but they will need funds for lunch, art materials and their train fare. Medical insurance will be provided via Sister Cities International.

The theme of this exchange is 'SeaLife'. Artists wishing to apply for consideration must be a St Ives and District resident, and attended St Ives School, between 18 and 25 years of age, with a keen interest in painting and drawing, and demonstrate maturity and initiative sufficient to travel abroad and represent St Ives. She or he must be a non-smoker.

To apply, please fill in the attached application form and supply a CV and photographs of 4 to 6 representative pieces of your work. Please include year, size and medium. Please note that the chosen candidate must make a firm commitment to the project as names in flight tickets cannot be changed.
