

Open Day and Open Evening Thursday 26th September

St Ives School opens its doors to welcome prospective students in Years 5 and 6 to our annual Open Day on Thursday 26th September from 9.30am. Children in St Erth, St Ives Junior School, St Uny and Nancledra Schools will receive more information via their teachers over the next week. Parents/ carers with children in Year 6 of other local primary schools are also welcome to join us to experience a day in the life of a St Ives school student. Please contact Mr Stevens, Head of Lower School on sstevens@st-ives.cornwall.sch.uk for more information and to reserve a place. Alternatively, parents/carers may contact us by phoning Mrs Kenyon, Receptionist on 01736 795608.

In the evening, from 5.30 – 8.30pm we welcome families to tour the school, meet with staff and students and take part in a wide range of hands-on activities during our Open Evening. A warm welcome is assured and senior prefects and the school's Headteacher, Mrs Jan Woodhouse and Leadership Team look forward to meeting with you.

We also offer prospective families an opportunity to tour the school during a working day. Tours can be booked with Mr Stevens and are available between 9.30 and 10.30am, or 11.30 and 12.30 am on a daily basis. A school tour provides an opportunity to get a feel for the school and see our staff and student team 'in action' and are strongly encouraged for prospective families considering their options for secondary education. Due to high levels of demand, tours are prioritised at this time of year for families with children in Year 6.

We look forward to welcoming you to St Ives School and to sharing our enthusiasm and passion for education with prospective students and families.
