ST IVES SCHOOL

Our Ref: St Ives School Curriculum Choices 2020-2023

Date: 26th February 2020

Dear Parent/Carer

As you may know, Year 8 students chose two of their options for Year 9 onwards in February. When choosing your option courses for the next three years it is very important that you achieve the right balance. Your Form Tutor, Mr Stevens and your subject teachers will be able to help you with this. A mixture of practical and knowledge-based courses is ideal for most students. Remember that if you enjoy a subject you are more likely to achieve well.

Remember that colleges and employers will be looking for flexible, dedicated and adaptable young people. They do not expect you to be a trained specialist at the age of 16, but they will invest in someone who has proved that they can work hard to achieve their best. If parents/carers have any questions about options, please do not hesitate to contact me. My email is tcrawford@st-ives.cornwall.sch.uk

Yours faithfully

Mr T Crawford

Assistant Headteacher
